HERON UK BIDCO LIMITED

which is a company controlled by funds advised by

Providence Equity Partners L.L.C. and its affiliates (“Providence”)

to be effected by means of a Scheme of Arrangement

under Part 26 of the Companies Act 2006

Summary

- The boards of Hyve Group plc (“**Hyve**”) and Heron UK Bidco Limited (“**Bidco**”), a newly incorporated entity formed by funds advised by Providence Equity Partners L.L.C. for the purposes of making an offer for Hyve, are pleased to announce that they have reached agreement on the terms of a recommended cash offer for the entire issued and to be issued share capital of Hyve by Bidco (the “**Acquisition**”). The Acquisition is intended to be effected by means of a scheme of arrangement under Part 26 of the Companies Act.
- Under the terms of the Acquisition, each Hyve Shareholder will be entitled to receive:

---------------------------------	--------------------------
- The Acquisition values the entire issued and to be issued share capital of Hyve at approximately £320 million on a fully diluted basis and values Hyve at approximately £481 million on an enterprise value basis.
- The Acquisition Price represents a premium of approximately:
 - 40.8 per cent. to the Closing Price per Hyve Share of 77 pence on 17 February 2023 (being the last Business Day prior to the movement of Hyve’s share price on 20 February 2023);
 - 49.4 per cent. to the three-month volume weighted average Closing Price per Hyve Share of 72 pence on 17 February 2023 (being the last Business Day prior to the movement of Hyve’s share price on 20 February 2023); and

- The Acquisition implies an enterprise value multiple of approximately 20.3 times Hyve's EBITDA for the 12 months to 30 September 2022.

Background to and reasons for the Acquisition

- Providence believes that Hyve has established a strong platform for future organic and inorganic growth underpinned by Hyve's portfolio of high-quality global brands and market-leading events focused on developed markets and in growing sectors.
- Hyve has consistently delivered industry-leading like-for-like organic growth, driven by its centralised model of best practice along with new launches, geo-clones and product extensions. - **Accordingly, the Hyve Directors intend to recommend unanimously that Hyve Shareholders vote in favour of the Scheme at the Court Meeting and the resolution to be proposed at the General Meeting. In addition, certain of these Hyve Directors have also irrevocably undertaken to procure that members of their immediate families and related trusts, who have beneficial holdings in aggregate of 39,771 Hyve Shares representing approximately 0.01 per cent. of the issued share capital of Hyve as at 14 March 2023 (being the latest practicable date prior to publication of this Announcement), vote in favour of the Scheme at the Court Meeting and the resolution to be proposed at the General Meeting.**

- Therefore, Bidco has received irrevocable undertakings from the Hyve Directors (and where applicable their immediate family members and related trusts) or a letter of intent from other Hyve Shareholders, with respect to, in aggregate, 49,391,785 Hyve Shares representing approximately 16.94 per cent. of the existing issued share capital of Hyve.

by

HERON UK BIDCO LIMITED

which is a company controlled by funds advised by

Providence Equity Partners L.L.C. and its affiliates (“Providence”)

to be effected by means of a Scheme of Arrangement

under Part 26 of the Companies Act 2006

1 Introduction

The boards of Hyve Group plc (“**Hyve**”) and Heron UK Bidco Limited (“**Bidco**”), a newly incorporated entity formed by funds advised by Providence Equity Partners L.L.C. for the purposes of making an offer for Hyve, are pleased to announce that they have reached agreement on the terms of a recommended cash offer for the entire issued and to be issued share capital of Hyve by Bidco (the “**Acquisition**”).

The Acquisition is intended to be effected by means of a scheme of arrangement under Part 26 of the Companies Act (although Bidco reserves the right to effect the Acquisition by way of a Takeover Offer, with the consent of the Panel).

2 The Acquisition

Under the terms of the Acquisition, which will be subject to Conditions and further terms set out in Appendix I to this Announcement and to be set out in the Scheme Document, Hyve Shareholders will be entitled to receive:

for each Hyve Share held

108 pence in cash

The Acquisition values the entire issued and to be issued share capital of Hyve at approximately £320 million on a fully diluted basis and values Hyve at approximately £481 million on an enterprise value basis.

The Acquisition Price represents a premium of approximately:

- 40.8 per cent. to the Closing Price per Hyve Share of 77 pence on 17 February 2023 (being the last Business Day prior to the movement of Hyve’s share price on 20 February 2023);

- 49.4 per cent. to the three-month volume weighted average Closing Price per Hyve Share of 72 pence on 17 February 2023 (being the last Business Day prior to the movement of Hyve's share price on 20 February 2023); and
- 59.5 per cent. to the six-month volume weighted average price of 68 pence per Hyve Share to 17 February 2023 (being the last Business Day prior to the movement of Hyve's share price on 20 February 2023).

The Acquisition implies an enterprise value multiple of approximately 20.3 times Hyve's EBITDA for the 12 months to 30 September 2022.

The Hyve Shares will be acquired by Bidco fully paid and free from all liens, equitable interests, charges, encumbrances, rights of pre-emption and any other third party rights or interests whatsoever and together with all rights existing at the date of this Announcement or thereafter attaching thereto, including (without limitation) the right to receive and retain, in full, all dividends and other distributions (if any) declared, made or paid or any other return of capital (whether by way of reduction of share capital or share premium account or otherwise) made on or after the date of this Announcement in respect of the Hyve Shares.

If any dividend and/or other distribution and/or other return of capital is declared, made, or paid or becomes payable in respect of Hyve Shares on or after the date of this Announcement and prior to the Effective Date, Bidco reserves the right to reduce the consideration payable by it pursuant to the Acquisition by an amount up to the aggregate amount of such dividend and/or other distribution and/or other return of capital, in which case any reference in this Announcement or in the Scheme Document to the consideration payable under the terms of the Acquisition will be deemed to be a reference to the consideration so reduced. In such circumstances, Hyve Shareholders will be entitled to retain any such dividend, distribution or other return of value declared or paid.

It is currently expected that the Scheme Document will be published as soon as reasonably practicable and, in any event, within 28 days of this Announcement, that the Court Meeting and the General Meeting will be held as soon as possible thereafter following the required notice period for the Meetings and that, subject to the satisfaction or waiver of all relevant Conditions and the further terms set out in Appendix I to this Announcement and to be set out in the Scheme Document, the Scheme is expected to become effective in May 2023.

Hyve also has a proven track record of identifying and successfully executing accretive, product-led acquisitions, which have both added to Hyve's existing portfolio and supported its digital diversification strategy.

Providence is a highly experienced investor in the events sector having been the majority shareholder of CloserStill Media since 2018, and having previously invested in Clarion Events and GLM.

Providence believes that it is uniquely placed to support Hyve in the next stage of Hyve's development as a standalone business by leveraging its knowledge and experience of the industry, and by providing the capital necessary to accelerate, both organically and via value-enhancing acquisitions, Hyve's omnichannel strategy, thereby realising Hyve's full growth potential.

4 Recommendation

The Hyve Directors, who have been so advised by Goldman Sachs International and Numis as to the financial terms of the Acquisition, consider the terms of the Acquisition to be fair and reasonable. In providing their financial advice to the Hyve Directors, Goldman Sachs International and Numis have taken into account the commercial assessments of the Hyve Directors.

Accordingly, the Hyve Directors intend to recommend unanimously that Hyve Shareholders vote in favour of the Scheme at the Court Meeting and the resolution to be proposed at the General Meeting. The Hyve Directors who hold Hyve Shares have irrevocably undertaken to vote in favour of the Scheme at the Court Meeting and the resolution to be proposed at the General Meeting in respect of their own beneficial holdings, amounting in aggregate to 1,576,389 Hyve Shares and representing approximately 0.54 per cent. of the issued share capital of Hyve as at 14 March 2023 (being the latest practicable date prior to publication of this Announcement). In addition, certain of these Hyve Directors have also irrevocably undertaken to procure that members of their immediate families and related trusts, who have beneficial holdings in aggregate of 39,771 Hyve Shares representing approximately 0.01 per cent. of the issued share capital of Hyve as at 14 March 2023 (being the latest practicable date prior to publication of this Announcement), vote in favour of the Scheme at the Court Meeting and the resolution to be proposed at the General Meeting. These irrevocable undertakings remain binding in the event of a competing offer.

5 Letter of intent

Bidco has received a non-binding letter of intent from Strategic Value Partners, L.L.C., a Hyve Shareholder which holds, in aggregate, 47,775,625 Hyve Shares representing approximately 16.38 per cent. of the existing issued share capital of Hyve stating their intentions to vote in favour of the Scheme at the Court Meeting and the General Meeting.

Therefore, Bidco has received irrevocable undertakings from the Hyve Directors (and where applicable their immediate family members and related trusts) or a letter of intent from other Hyve Shareholders, with respect to, in aggregate, 49,391,785 Hyve Shares representing approximately 16.94 per cent. of the existing issued share capital of Hyve.

Further details of these irrevocable undertakings and the letter of intent are set out in Appendix III to this Announcement.

6 Background to and reasons for the Recommendation

Hyve is a next-generation events business with a clear ambition and strategy to unite industry communities through its omnichannel platforms and contribute to shaping their future. Through the completion of an ambitious transformation programme that began in 2017, Hyve has combined a differentiated approach and model, a strategy focused on digital-ready and growing sectors, and a focus on connecting whole industry ecosystems

through in-person events and both online and meeting platforms. This combination has created an established platform for growth with large-scale, market leading, high-quality global brands in advanced economies and in key sectors with strong future growth trajectories.

Hyve has undergone significant change since the launch of the Transformation and Growth (TAG) programme in 2017 and has become a fundamentally different business that continues to evolve and transform through a focus on three areas:

- creating a scalable platform through the implementation of a centralised operating model which drives global consistency through best practices across every team and event. This has led to industry-leading like-for-like organic growth;
- managing the portfolio to focus on global, market-leading events with high growth potential which would benefit from a centralised operating model. The number of Hyve's events has reduced during the TAG programme from 269 to 130 with average revenue per event more than trebling. Following the Russian invasion of Ukraine and disposal of Hyve's Russian business and other non-core businesses, Hyve currently holds 33 in-person events with a more than eight-fold increase in revenue; and
- making product-led acquisitions to strengthen the portfolio and increase average revenue. Examples include Spring Fair, Bett, Mining Indaba, and, more recently, Shoptalk, Retail Meetup and 121 Group.

Through the continuation of this strategy of focusing on market leading brands, launching new events and geo-clones, and making strategic acquisitions of market-leading brands, Hyve is now strategically well positioned to capture its growth potential. The business is focused on its divisions of RetailTech & FinTech, EdTech & Natural Resources and Retail, Manufacturing & Engineering with all events operating with a centralised model of best practice. Digital diversification has created further opportunities to diversify Hyve's portfolio with data-driven and tech enabled products. Combined with a strong, committed team with a proven track record of delivery, and recent greater financial stability and visibility, the Board of Hyve believes the business is positioned for organic growth and, if access to appropriate capital is available for strategic acquisitions, has confidence in Hyve's ability to capture and drive value from its prospects and deliver long-term value for all our stakeholders.

COVID-19 and the Russian invasion of Ukraine represented significant recent challenges to the business, including a material and sustained decline in Hyve's share price as well as an increase in Hyve's leverage position. The business has since performed well in its recovery from the impact of COVID and executed a refinancing of its debt in late 2022, although market conditions meant that the cost of Hyve's debt increased significantly. Hyve has also navigated these challenges in a way to create opportunities to accelerate the development of Hyve with the portfolio of events optimised and almost 95 per cent. now in advanced economies following the disposal of Hyve's Russian business and other non-core businesses. Challenges and constraints, in particular related to the access to capital and ability to attract and retain talent, are anticipated to persist and will impact the scale of the future opportunity available to Hyve and the pace of the continued evolution and transformation of the business required to ensure continued leadership over industry peers. This is especially relevant as the industry continues to evolve in light of technological change and against a challenging macroeconomic backdrop.

The Board of Hyve did not solicit an offer for Hyve. However, the Board of Hyve regularly considers all options for driving and improving shareholder value. The initial unsolicited

proposals received from Providence at 101 pence and 105 pence per Hyve Share were not at a level that the Board of Hyve felt adequately reflected an appropriate valuation of Hyve and its future prospects. After Providence's third proposal of 108 pence per Hyve Share in cash, the Board of Hyve felt that the proposal from Providence required more detailed consideration.

In considering the financial terms of the Acquisition and determining whether they reflect an appropriate valuation of Hyve and its future prospects, the Board of Hyve took into account a number of factors including that:

- the Acquisition reflects the strength of the Hyve businesses and its future prospects, and provides an opportunity for Hyve Shareholders to crystallise, in cash, the value of their investments at a fair and reasonable value;
- the Acquisition Price represents an attractive premium of 40.8 per cent. to the Closing Price on 17 February 2023 (being the last Business Day before the movement of Hyve's share price on 20 February 2023), 49.4 per cent. to the volume weighted average closing price in the three months to 17 February 2023, and 59.5 per cent. to the volume weighted average closing price in the six months to 17 February 2023;
- the Acquisition Price implies an enterprise value multiple of approximately 20.3 times Hyve's EBITDA for the 12 months ended 30 September 2022;
- the certainty of the Acquisition should be weighed against the inherent uncertainty of the delivery of future value that exists in the business; and
- the Acquisition delivers more risk-adjusted immediate value to Hyve Shareholders than other options considered by and currently available to the Board of Hyve.

In considering the Acquisition, the Board of Hyve has taken into account Providence's stated intentions for the business and its employees.

Following careful consideration of the financial terms of the Acquisition, the combination of value and certainty that the terms of the Acquisition provides to shareholders, and the above factors, the Board of Hyve intends to recommend unanimously the Acquisition to Hyve Shareholders. The Hyve Directors who hold or are beneficially entitled to Hyve Shares (and where applicable their immediate family members and related trusts) have each irrevocably undertaken to vote in favour of the Scheme at the Court Meeting and in favour of the Resolution to be proposed at the General Meeting in respect of all their Hyve Shares, being in aggregate a total of 1,616,160 Hyve Shares (representing approximately 0.55 per cent. of the ordinary share capital of Hyve).

9 **Directors, management, employees, pensions, research and development and locations**

Strategic plans for the Hyve Group

Following completion of the Acquisition, Bidco intends to support Hyve by leveraging its industry experience in providing the capital necessary to accelerate Hyve's strategy. Bidco fully supports management's compelling vision of delivering real impact by redefining events to maximise the power of human connections. Bidco supports the execution of this vision through driving organic growth, investing in further digitisation and by pursuing strategic acquisitions in new and existing growth sectors.

Providence recognises and values the distinct strategic, product and operational positioning of Hyve and the expertise of its management team and employees. Providence has no intention of merging or in any form combining Hyve with CloserStill Media or any other current portfolio company of Providence.

Employees and management

Hyve has a strong team of talented and committed employees who have worked hard to transform Hyve into an ambitious, market-leading and innovative business. Bidco recognises the high quality of the employees and the strength of the management team at Hyve and their importance to the success of Hyve following the Acquisition. Bidco believes that they will be a key factor in maximising the future success and realising Hyve's vision and full growth potential.

Bidco does not intend that there will be any headcount reductions as a result of the Acquisition, except that there may be reductions in respect of certain corporate and support functions which are currently required to support Hyve's public listing. Bidco, with the support and guidance of Hyve's management, intends to seek to provide alternative opportunities within Hyve to all employees currently in these roles. At this stage, Bidco has not yet developed proposals as to how any headcount reductions that may arise in relation to such functions could be implemented and will only develop and implement such proposals in coordination with Hyve's management. Any individuals who are affected will be treated in a manner consistent with the high standards, culture and practices of Hyve.

Bidco confirms that, following completion of the Acquisition, the existing contractual and statutory rights and terms and conditions of employment, including pension obligations, of the management and employees of the Hyve Group will be fully safeguarded in accordance with applicable law.

Bidco has no intention to make any material change to the conditions of employment of Hyve employees or in the balance of the skills and functions of the employees and management of Hyve.

Following completion of the Acquisition, Bidco intends to put in place incentivisation arrangements for managers and employees of Hyve. However, Bidco has not entered into, and has not had discussions on proposals to enter into, any form of incentivisation arrangement with any member of Hyve's management or with any Hyve employee, nor will it enter into any such discussions prior to the completion of the Acquisition.

Bidco expects that Hyve's non-executive directors will resign from the board of Hyve upon completion of the Acquisition.

Locations, headquarters and research and development

Bidco has no plans to change the locations of Hyve's places of business or headquarters. Hyve does not currently have a research and development function and Bidco has no plans in this regard. Bidco has no intention to redeploy the fixed assets of Hyve.

Pension schemes

No member of the Hyve Group participates in any defined benefit pension schemes.

Trading Facilities

Hyve is currently admitted to listing on the Official List and to trading on the London Stock Exchange's Main Market for listed securities. As set out in paragraph 16 below, requests will be made to the FCA to de-list Hyve from the Official List, to the London Stock Exchange to cancel trading in Hyve Shares and steps will be taken to re-register it as a private company.

Post-offer undertakings

No statements in this paragraph 9 are "post-offer undertakings" for the purposes of Rule 19.5 of the Code.

10 Hyve Share Plans

Participants in the Hyve Share Plans will be contacted regarding the effect of the Acquisition on their rights under the Hyve Share Plans and an appropriate proposal will be made to such participants which reflects their rights under the Hyve Share Plans in due course.

11 Hyve current trading

Hyve has continued to trade well in the first half of the financial year to date and expectations for the full year remain in line with the Board's expectations. As previously announced, Hyve will provide its scheduled trading update for the first half of the financial year at the end of March.

12 **Financing**

The cash consideration payable by Bidco pursuant to the Acquisition will be funded from equity financing drawn down from the Providence Equity Funds. Bidco may raise debt financing in connection with the Acquisition following the date of this Announcement.

Further information regarding these arrangements will be included in the Scheme Document.

Perella Weinberg Partners and Deutsche Bank, financial advisers to Providence Equity Partners L.L.C. and Bidco, are satisfied that the resources available to Bidco are sufficient to enable Bidco to satisfy in full the cash consideration payable to Hyve Shareholders under the terms of the Acquisition.

13 **Offer-related Arrangements**

Confidentiality Agreement

Pursuant to the Confidentiality Agreement, Providence Equity LLP and Hyve have both undertaken to keep, and to procure that certain of their respective representatives keep, confidential information relating to (amongst other things) Hyve, Providence Equity LLP and/or to the Acquisition, to use such information solely for the agreed purposes in relation to the Acquisition and not to disclose it to third parties (with certain exceptions). These confidentiality obligations will remain in force until 13 August 2024 (or, if earlier, completion of the Acquisition). The Confidentiality Agreement contains standstill provisions which restrict Providence Equity LLP and its affiliates from acquiring or offering to acquire interests in certain securities of Hyve for a period of 12 months from the date of the Confidentiality Agreement which ceased to apply on the making of this Announcement.

Under the Confidentiality Agreement, neither party nor its affiliates may, during the period of 12 months from the date of the Confidentiality Agreement, solicit, interfere or endeavour to entice away from the other party (or knowingly offer to employ, or aid or assist in or procure the employment by any other person of) any person who at the date of the Confidentiality Agreement or during the discussions relating to the Acquisition is a director or senior management employee of the other party. The non-solicitation provision is subject to customary exclusions such as in respect of responses to non-targeted advertisements and the recruitment of persons through an employment agency.

Co-operation Agreement

Pursuant to the Co-operation Agreement, Bidco and Hyve have agreed to co-operate and provide each other with reasonable information and assistance in relation to any filings, submissions and notifications in relation to the satisfaction of Conditions 3(a) to 3(d) as set out in Appendix I to this Announcement (if and to the extent that, in the case of Conditions 3(b) to 3(d), the relevant third party under that Condition is a regulatory authority). Bidco has also agreed to provide Hyve with such information, assistance and access as may reasonably be required for the preparation of the Scheme Document.

The Co-operation Agreement records Bidco and Hyve's intention to implement the Acquisition by way of a Scheme, subject to the ability of Bidco to implement the Acquisition by way of a Takeover Offer in the circumstances described in the Co-operation Agreement.

The Co-operation Agreement will terminate in certain circumstances, including (but not limited to):

- upon service of written notice by Bidco to Hyve if the Hyve Directors make a change to their recommendation;
- if prior to the Long Stop Date, either: (i) a Condition has been invoked by Bidco (with the consent of the Panel); or (ii) a competing offer is announced which completes, becomes effective, or is declared or becomes unconditional;
- upon service of written notice by either party to the other party if the Scheme is not approved by the requisite majorities of the holders the Scheme Shares at the Court Meeting and/or the resolution is not approved at the General Meeting;
- if the Acquisition (whether implemented by way of the Scheme or a Takeover Offer) lapses, terminates or is withdrawn in accordance with its terms on or prior to the Long Stop Date and, where required, with the consent of the Panel (other than where such lapse or withdrawal is as a result of an agreed switch to a Takeover Offer); or
- unless otherwise agreed by Bidco and Hyve, the Effective Date has not occurred before the Long Stop Date.

The Co-operation Agreement also contains provisions that will apply in respect of the Hyve Share Plans and the treatment of Hyve employees.

14 **Structure of the Acquisition**

It is intended that the Acquisition will be effected by means of a Court-approved scheme of arrangement between Hyve and Scheme Shareholders under Part 26 of the Companies Act. Bidco reserves the right to elect to implement the Acquisition by way of a Takeover Offer (with the consent of the Panel and subject to the terms of the Co-operation Agreement).

The purpose of the Scheme is to provide for Bidco to become the holder of the entire issued and to be issued share capital of Hyve.

The Scheme is an arrangement between Hyve and the Scheme Shareholders pursuant to which the Scheme Shares will be transferred to Bidco in consideration for which the Scheme Shareholders will receive cash consideration on the basis set out in paragraph 2 above.

The Acquisition will be put to Hyve Shareholders at the Court Meeting and at the General Meeting. In order to become effective, the Scheme must be approved by a majority in number of the Hyve Shareholders voting (and entitled to vote) at the Court Meeting, either in person or by proxy, representing not less than 75 per cent. in value of the Hyve Shares voted. In addition, at the General Meeting a special resolution to approve the adoption of the Amended Hyve Articles must be passed by Hyve Shareholders representing at least 75 per cent. of the votes validly cast on that resolution. The General Meeting will be held immediately after the Court Meeting.

Following the Meetings, the Scheme must be sanctioned by the Court. The Scheme will only become effective once a copy of the Court Order is delivered to the Registrar of Companies. Upon the Scheme becoming effective, it will be binding on all Hyve Shareholders, whether or not they attended or voted at the Meetings (and, if they attended and voted, whether or

not they voted in favour). Subject to the satisfaction of the Conditions, the Scheme is expected to become effective in May 2023.

Any Hyve Shares issued before the Scheme Record Time will be subject to the terms of the Scheme. Any Hyve Shares issued at or after the Scheme Record Time will be subject to the Amended Hyve Articles and be automatically transferred to Bidco.

The Acquisition will lapse if the Scheme does not become effective by the Long Stop Date.

Upon the Scheme becoming effective, it will be binding on all Hyve Shareholders, whether or not they attended or voted at the Court Meeting or the General Meeting.

Further details of the Scheme, including an indicative timetable for its implementation and the necessary action to be taken by Hyve Shareholders, will be set out in the Scheme Document, which is expected to be dispatched to Hyve Shareholders as soon as reasonably practicable and, in any event, within 28 days of the date of this Announcement (or such later date as may be agreed with the Panel).

15 **Conditions**

In addition to the requirements described in paragraph 14 above, the Acquisition will be subject to the Conditions and further terms set out below and in Appendix I to this Announcement and to be set out in the Scheme Document and will only become effective if, among other things, anti-trust clearance in the United States has been received (insofar as required).

The Scheme will lapse if:

- the Court Meeting and the General Meeting are not held on or before the 22nd day after the expected date of such Court Meeting and General Meeting to be set out in the Scheme Document in due course (or such later date (if any) as may be agreed by Bidco and Hyve and, if required, the Court may allow);
- the Court Hearing is not held on or before the 22nd day after the expected date of the Court Hearing to be set out in the Scheme Document in due course (or such later date (if any) as may be agreed by Bidco and Hyve and, if required, the Court may allow); or
- the Scheme does not become effective by the Long Stop Date.

The deadlines for the timing of the Court Meeting, the General Meeting and the Court Hearing as set out above may be waived by Bidco, and the deadline for the Scheme to become effective may be extended by agreement between Hyve and Bidco.

16 **De-listing and re-registration**

Prior to the Scheme becoming effective, Hyve will make an application to the FCA for the cancellation of the listing of Hyve Shares on the Official List and to the London Stock Exchange for the cancellation of trading of Hyve Shares on its Main Market for listed securities, in each case to take effect from or shortly after the Effective Date.

On the Effective Date, share certificates in respect of Hyve Shares will cease to be valid and should be destroyed. In addition, entitlements to Hyve Shares held within the CREST system will be cancelled.

It is also proposed that, following the Effective Date and after its shares are delisted, Hyve will be re-registered as a private limited company.

17 Disclosure of interests in Hyve Shares

As at the close of business on 14 March 2023 (being the latest practicable date prior to the date of this Announcement) neither Bidco, its directors, nor, so far as Bidco is aware, any person acting in concert (within the meaning of the Code) with it (i) has any interest in or right to subscribe for any relevant securities of Hyve, or (ii) has any short positions in respect of relevant securities of Hyve (whether conditional or absolute and whether in the money or otherwise), including any short position under a derivative, any agreement to sell or any delivery obligation or right to require another person to purchase or take delivery, or (iii) has borrowed or lent any relevant securities of Hyve (including, for these purposes, any financial collateral arrangements of the kind referred to in Note 4 on Rule 4.6 of the Code) save for any borrowed shares which have been either on-lent or resold, or (iv) is a party to any dealing arrangement of the kind referred to in Note 11 on the definition of acting in concert in the Code.

18 Dividends

If any dividend and/or other distribution and/or other return of capital is declared, made, or paid or becomes payable in respect of Hyve Shares on or after the date of this Announcement and prior to the Effective Date, Bidco reserves the right to reduce the consideration payable by it pursuant to the Acquisition by an amount up to the aggregate amount of such dividend and/or other distribution and/or other return of capital, in which case any reference in this Announcement or in the Scheme Document to the consideration payable under the terms of the Acquisition will be deemed to be a reference to the consideration so reduced. In such circumstances, Hyve Shareholders will be entitled to retain any such dividend, distribution or other return of value declared or paid.

19 Overseas Shareholders

The availability of the Acquisition and the distribution of this Announcement to persons not resident in the United Kingdom may be affected by the laws and regulations of the relevant jurisdiction. Such persons should inform themselves about, and observe, any applicable legal or regulatory requirements. Hyve Shareholders who are in any doubt regarding such matters should consult an appropriate independent professional adviser in the relevant jurisdiction without delay.

This Announcement does not constitute an offer for sale of any securities or an offer or an invitation to purchase any securities. Hyve Shareholders are advised to read carefully the Scheme Document and the forms of proxy once these have been dispatched.

20 General

Bidco reserves the right, subject to the prior consent of the Panel and subject to the terms of the Co-operation Agreement, to elect to implement the Acquisition by way of a Takeover Offer for the entire issued and to be issued share capital of Hyve not already held by Bidco, as an alternative to the Scheme. In such an event, such offer will be implemented on the same terms (subject to appropriate amendments as described in Part B of Appendix I), so far as applicable, as those which would apply to the Scheme.

If the Acquisition is effected by way of a Takeover Offer and such offer becomes or is declared unconditional and sufficient acceptances are received, Bidco intends to exercise its rights to apply the provisions of Chapter 3 of Part 28 of the Companies Act to acquire compulsorily the remaining Hyve Shares in respect of which the Takeover Offer has not been accepted.

Investors should be aware that Bidco may purchase Hyve Shares otherwise than under any Takeover Offer or scheme of arrangement relating to the Acquisition, such as in open market or privately negotiated purchases.

Perella Weinberg Partners, Deutsche Bank, Goldman Sachs International and Numis have given and not withdrawn their consent to the publication of this Announcement with the inclusion herein of the references to their respective names, in each case, in the form and context in which they appear.

The Acquisition relates to shares of an English company and is proposed to be effected by means of a scheme of arrangement under the laws of England and Wales. Neither the US proxy solicitation rules nor the tender offer rules under the US Exchange Act apply to the Acquisition. Accordingly, the Acquisition is subject to the disclosure requirements, rules and practices applicable in the United Kingdom to schemes of arrangement, which differ from the requirements of US proxy solicitation or tender offer rules. However, if Bidco were to elect to implement the Acquisition by means of a Takeover Offer, such Takeover Offer would be made in compliance with all applicable laws and regulations, including Section 14(e) of the US Exchange Act and Regulation 14E thereunder. Such a takeover would be made in the United States by Bidco and no one else. In addition to any such Takeover Offer, Bidco, certain affiliated companies and the nominees or brokers (acting as agents) may make certain purchases of, or arrangements to

purchase, shares in Hyve outside such Takeover Offer during the period in which such Takeover Offer would remain open for acceptance. If such purchases or arrangements to purchase were to be made, they would be made outside the United States and would comply with applicable law, including the US Exchange Act.

None of the securities referred to in this Announcement have been approved or disapproved by the US Securities and Exchange Commission, any state securities commission in the United States or any other US regulatory authority, nor have such authorities passed upon or determined the adequacy or accuracy of the information contained in this Announcement. Unless otherwise determined by Bidco or required by the Code and permitted by applicable law and regulation, the Acquisition will not be made available, directly or indirectly, in, into or from a Restricted Jurisdiction where to do so would violate the laws in that jurisdiction and no person may vote in favour of the offer by any such use, means, instrumentality or from within a Restricted Jurisdiction or any other jurisdiction if to do so would constitute a violation of the laws of that jurisdiction. Accordingly, copies of this Announcement and all documents relating to the Acquisition are not being, and must not be, directly or indirectly, mailed or otherwise forwarded, distributed or sent in, into or from a Restricted Jurisdiction where to do so would violate the laws in that jurisdiction, and persons receiving this Announcement and all documents relating to the Acquisition (including custodians, nominees and trustees) must observe these restrictions and must not mail or otherwise distribute or send them in, into or from such jurisdictions where to do so would violate the laws in that jurisdiction.

The availability of the Acquisition to Hyve Shareholders who are not resident in the United Kingdom may be affected by the laws of the relevant jurisdictions in which they are resident. Persons who are not resident in the United Kingdom should inform themselves of, and observe, any applicable requirements.

The Acquisition will be subject to the applicable requirements of the Code, the Panel, the London Stock Exchange and the FCA.

Part B: Certain further terms of the Acquisition

- 1 Subject to the requirements of the Code, Bidco reserves the right in its sole discretion to waive:
 - (a) the deadlines set out in Condition 2 for the timing of the Court Meeting, General Meeting and/or the Court Hearing. If any such deadline is not met, Bidco will make an announcement by 8.00 a.m. on the Business Day following such deadline confirming whether it has invoked or waived the relevant Condition or agreed with Hyve to extend the deadline in relation to the relevant Condition; and
 - (b) in whole or in part, all or any of the Conditions set out in paragraphs 3(a) to (i) of Part A of this Appendix I (inclusive).
- 2 Except as set out in paragraph 1(a) above, the Conditions in paragraphs 1 and 2 of Part A of this Appendix I may not be waived.
- 3 Bidco will be under no obligation to waive (if capable of waiver), to determine to be or remain satisfied or to treat as fulfilled any of the Conditions set out in paragraphs 3(a) to 3(i) of Part A of this Appendix I (inclusive) by a date earlier than the latest date for the fulfilment or waiver of that Condition specified above, notwithstanding that the other Conditions may at such earlier date have been waived or fulfilled and that there are at such earlier date no circumstances indicating that any of such Conditions may not be capable of fulfilment.
- 4 Under Rule 13.5(a) of the Code, Bidco may not invoke a Condition so as to cause the Acquisition not to proceed, to lapse or to be withdrawn unless the circumstances which give rise to the right to invoke the Condition are of material significance to Bidco in the context of the Acquisition. Bidco may only invoke a condition that is subject to Rule 13.5(a) with the consent of the Panel and any condition that is subject to Rule 13.5(a) may be waived by

Bidco. Conditions 1 and 2 of Part A of this Appendix I are not subject to this provision of the Code.

- 5 Each of the Conditions is to be regarded as a separate Condition and shall not be limited by reference to any other Condition.
- 6 The Hyve Shares acquired under the Acquisition will be acquired fully paid and free from all liens, equities, charges, encumbrances, options, rights of pre-emption and any other third party rights and interests of any nature and together with all rights now or hereafter attaching or accruing to them, including, without limitation, voting rights and the right to receive and retain in full all dividends and other distributions (if any) declared, made or paid, or any other return of value (whether by reduction of share capital or share premium account or otherwise) made on or after the Announcement Date and before the Effective Date.
- 7 If, on or after the Announcement Date and prior to or on the Effective Date, any dividend, distribution or other return of value is declared, paid or made or becomes payable by Hyve with a record date prior to or on the Effective Date, Bidco reserves the right (without prejudice to any right of Bidco, with the consent of the Panel, to invoke the Condition set out in paragraph 3(f)(ii) of Part A of this Appendix I) to reduce the consideration payable under the Acquisition to reflect the aggregate amount of such dividend, distribution or other return of value. In such circumstances, Hyve Shareholders would be entitled to receive and retain any such dividend, distribution or other return of value declared, made or paid.

If and to the extent that any such dividend, distribution or other return of value is paid or made on or prior to the Effective Date and Bidco exercises its rights under this paragraph 7 to reduce the consideration payable under the Acquisition, any reference in this Announcement to the consideration payable under the terms of the Acquisition will be deemed to be a reference to the consideration as so reduced.

If and to the extent that any such dividend, distribution or other return of value has been declared or announced but not paid or made or is not payable by reference to a record date on or prior to the Effective Date or the shares on which the dividend, distribution or other return of value is declared or announced will be (i) transferred pursuant to the Acquisition on a basis which entitles Bidco to receive the dividend, distribution or other return of value and to retain it; or (ii) cancelled, the consideration payable under the terms of the Acquisition will not be subject to change in accordance with this paragraph 7.

Any exercise by Bidco of its rights referred to in this paragraph 7 will be the subject of an announcement and, for the avoidance of doubt, shall not be regarded as constituting any revision or variation of the Acquisition.

- 8 Bidco reserves the right to elect (with the consent of the Panel, and subject to the terms of the Co-operation Agreement) to implement the Acquisition by way of a Takeover Offer for the Hyve Shares as an alternative to the Scheme. In such event, the Takeover Offer will be implemented on the same terms and conditions, so far as applicable, and subject to the terms of the Co-operation Agreement, as those which would apply to the Scheme, subject to appropriate amendments including, an acceptance condition set at 90 per cent. (or such lesser number as Bidco may decide and the Panel may permit) of the Hyve Shares to which such Takeover Offer relates.
- 9 If Bidco is required by the Panel to make an offer for Hyve Shares under the provisions of Rule 9 of the Code, Bidco may make such alterations to any of the Conditions and terms of the Acquisition as are necessary to comply with the provisions of that Rule.

- 10 The availability of the Acquisition to persons not resident in the United Kingdom may be affected by the laws of the relevant jurisdictions. Persons who are not resident in the United Kingdom should inform themselves about and observe any applicable requirements.
- 11 The Acquisition is not being made, directly or indirectly, in, into or from, or by use of the mails of, or by any means of instrumentality (including, but not limited to, facsimile, e-mail or other electronic transmission, telex or telephone) of interstate or foreign commerce of, or of any facility of a national, state or other securities exchange of, any jurisdiction where to do so would violate the laws of that jurisdiction.
- 12 The Acquisition is governed by the laws of England and Wales and is subject to the jurisdiction of the English courts and to the Conditions and further terms set out in this Appendix I. The Acquisition is subject to the applicable requirements of the Code, the Panel, the Listing Rules, the London Stock Exchange and the FCA.
